Usage chipboard-based materials and MDF coated

Machine: panel sizing saw

TCT panel sizing saw blades

TFZ

WZ

KON

Characteristics:

- » specially designed for cutting chipboard-based materials and MDF
- » in combination with conical scoring saw blade there is excellent cutting performance
- » extremely long life-time of carbide tips
- » TCT panel sizing saw blades are manufactured specially on request of our customer in particular dimensions

Highlighted items on the list are standard hold on stocked, the other items are manufactured specially on request.
